Dear Valued Patient:

As you are aware, COVID restrictions have placed limitations on office capacity and routine eye care.

We are currently expanding the number of visits we are scheduling per day according to Governor Baker's phase one guidelines, while maintaining the safety of our patients and staff. We are actively working on rescheduling all patients in the order they were postponed.

Unfortunately, your upcoming appointment has been delayed. We will call you over the next few weeks to schedule a new exam as quickly as possible.

Thank you for your understanding and patience. If you have an urgent need for an appointment, please call 508-730-2020, and a member of team will be happy to assist you.

Thank you for your understanding,

Dr. Robert Kelly
Dr. Gregory Hofeldt
